All Aboard!

Yesterday, the children RSevern invited parents and carers on their Magic Train Ride during their class assembly. The special train stopped at Buckingham Palace where the children shared facts, songs and stories about the Queen to celebrate her Platinum Jubilee. An amazing performance, well done!

The Queen's Platinum Jubilee

Bengeworth's Jubilee Day was a huge success yesterday, with the children enjoying a day full of fun and laughter with inflatable slides, penalty shoot outs and even a giant fun run! It was so lovely to be able to have all the children and staff together at King's Road for a picnic lunch, which was followed by a very special jubilee concert during which children sang songs and poems dedicated to the Queen.

THIS WEEK'S ACHIEVEMENTS

Golden Tea

Congratulations to Kaitlyn, Shamila, Archie, Anthony, Jackson, Honey, Paige, Oscar, Pasha-Rose, Diana, Brody and Evie.

These children proudly shared their progress and achievements with Mrs Snowdon and Mrs Shaw whilst enjoying a delicious cake.

Congratulations to Badham who are our winners this half term of the House Cup.

Farewell to Mrs Hill

Today we said thank you and farewell to Mrs Hill who left our school today after nearly 8 years. We would like to say a huge thank you for everything she has done for our children and staff and wish Mrs Hill well for her future adventures.

VALUES CHAMPIONS

Huge congratulations to the children who received a Values Champion medal in St Peter's Church today. These children were nominated by their classmates for showing our school Christian values of Respect, Perseverance, Friendship, Responsibility, Trust and Forgiveness. The whole school and the parents of the winners all came together to celebrate this fantastic achievement.

We hope you have a restful and enjoyable half term holiday.
Children return to school on Wednesday 8th June.

ROCKING THE NIGHT AWAY

Our Year 3, 4 and 5 pupil Rock Bands performed to a delighted audience at Bengeworth Social Club last Thursday, alongside past generations from St Egwin's, The De Montfort School and Prince Henry's. Thanks to Geoff Bennett for his continued energy and effort on behalf of budding musicians across Evesham.

Young Voices Concert 2022

We are very proud of our Young Voices choir who sang their hearts out last Friday evening at the NEC, Birmingham. Children from Year 4 and Year 5 joined over 5,000 other children to sing a range of songs, including a Muppets' medley, Power and Mambo Italiano, to name but a few. Thank you to everyone who supported us.

PSHE & RSE

After half term, children will be moving onto their next Jigsaw piece in PSHE, 'Changing Me'. In this topic they will learn all about growing, changes and transition into the next year group. Please look on our website for more information.

OUTDOOR CLASSROOM DAY

Once again the children did not let the weather dampen their spirits for Outdoor Classroom Day on Friday. Reception explored the river and the abbey site, Year One visited an archaeological site, Year Two visited the town looking at Tudor buildings, Year Three's Rennie Macintosh inspired art all took place outside. Year Four explored the defeat of Simon de Montfort and made maps of Evesham.

Year 3 enjoyed a wonderful day at the Black Country Living Museum this week. They had the opportunity to link their learning about life in 1912 at the time of the Titanic with many different experiences the museum offered, including a lesson in the school room. Children were able to gain an understanding of just how different life would have been if they were a child during this period in history and are still surprised that they may have had to work for a living!

THE BLACK COUNTRY MUSEUM

On Guard!

Thank you to all Year One parents who supported their child with the creation of their amazing castles at home as part of their COOL time projects. The castles were absolutely incredible and the children were so proud to show them off on Wednesday!

A Right Royal Reply

Congratulations to Archie in 5 Severn who wrote to Her Majesty The Queen recently to wish her a Happy Birthday and to send his congratulations for her Platinum Jubilee. Archie wanted to practise his letter writing and was thrilled to receive a reply from Buckingham Palace.

Board Games & Puzzles Club

This half term children attending board games and puzzles club have had a great time learning to play new games and enjoying familiar games that they might play at home. Jenga and Snakes and Ladders are often the familiar favourites, but 'Guess Who' has definitely been the top game played this term.

Future Olympians at Athletics Club

This half term, children from Year 2, 3, 4 & 5 have been having a go at a variety of running, throwing and jumping activities, learning to reflect on their techniques as well as developing and progressing at individual sports and sportsmanship. This week, as a group, they even smashed an impressive 15km in a collaborative long distance run!

Let's Dance!

Children who have attended our after school Dance Club have continued to learn new skills whilst giggling and wiggling every week! The United Dance Academy teachers are very proud of the children who, at Burford Road, have been waving ribbons and getting into the animal spirit with their routines, whilst at King's Road they have been learning and performing to The Greatest Showman, Disney classics and their latest track ready for summer, 'Feeling Hot, Hot, Hot'!

Art Club

This week the children in Reception and Year 1 Art Club decided to make the most of the sunshine by creating these beautiful sun catchers. They also had fun creating some Andy Warhol inspired hand prints.
