## *It's beginning to look a lot like Christmas...*

There is very definitely a Christmas feel in the air at Bengeworth; both settings have been adorned with decorations and children have been delighted to see a Christmas Tree appear in the foyers. Some classes have even had a visit from some naughty elves who are most definitely up to no good!

## Supastrikers

Congratulations to Rowan who was awarded Supastrikers' Player of the Team as a result of his skills shown at Supastrikers Curriculum+ club this term. Coach Alex praised all the children for their team skills and is looking forward to running this club again next year.

# Year 1 Letter Writing

This half term, Year One are learning about deforestation and the effects it has on woodland animals and their habitats. Using their knowledge around their global theme of 'Power and Governance', the children have written to our Prime Minister to voice their concerns. Over the past three weeks, every child in Year One has written their own letter, starting with a formal greeting and introduction, the main body of the letter, and finally a conclusion and formal farewell. The letters have been posted to Downing Street - we await a reply!

# Big Bengeworth Toy Sale

## New Hope

FOR A BRIGHTER FUTURE

To finish their fabulous topic 'Toy Story' and to support their global theme of 'Social Justice and Equity' Reception children decided to hold a toy sale with all proceeds going to 'New Hope' charity in Worcester. Thank you to everybody who donated, attended and supported such a fantastic cause. We have raised an incredible £276.

## Sports Hall Athletics

A group of children from Year 5 enjoyed a wonderful morning of athletics at TDMS on Wednesday as they competed in the School Games Sports Hall Athletics competition. Teams from ten schools gathered to participate in a variety of events from the standing long jump, chest press throw to the obstacle relay. Both the girls and boys team put in fantastic performances and worked tremendously hard doing their very best. They encouraged each other enthusiastically and we witnessed some amazing individual and team performances. Well done to the athletes for being such wonderful role models both on and off the track!

## Year 5 and Year 2 Leadership Morning

On Wednesday morning, Year 2 and Year 5 children had a wonderful morning, with Year 5 children becoming reading buddies and PE leaders for the younger year group. The Year 2 children enthusiastically read and listened to non fiction books and had the opportunity to play an adapted game of netball led by our respectful and responsible leaders.

## Inclusive Games

There was more Boccia and Kurling fun this week at Bengeworth with King's Road pupils enjoying some fun intra-house competitions and inclusive games. Pupils had to persevere, working on their accuracy and hand-eye coordination in order to score points for their team. As well as having lots of fun and working hard to develop their skills. Final scores will be announced next week after every class has taken part.
