## THIS WEEK'S ACHIEVEMENTS

### Golden Tea

Congratulations to Florrie, Nel, Layla, Katelyn-Jade, Arabel, Sophia, Kacper, Irina, Emma, Maria and Elena. These children proudly shared their progress and achievements with Mrs Shaw and Mrs Potter whilst enjoying a delicious cake.

### Little Stars

Congratulations to Isla, Oliver, Julia, Willow and Woody.

## Golden Assembly

Congratulations to Hugo, Christian, Emilia, Ava-Mae, Mason, Lexie, Amelia-Grace, Carlton, Louis, Ethan, Evelyn and Artur.

Children and adults across the school all enjoyed wearing their pyjamas and Pudsey-themed outfits to support BBC's Children in Need Day today. Whilst children enjoyed being cosy in their nightwear, they were reminded of the importance of helping others who are less fortunate than ourselves. We would like to say a huge thank you to everyone who has donated so far, donations can still be made via our Just Giving Page:

## 4Teme Class Assembly

On Wednesday, children in 4Teme proudly shared their learning around this half term's topic, 'Climate Change - What is our impact?' Using their understanding of newly-learned technical vocabulary, 4 Teme informed their audience of the devastating impact we as humans are having on the Arctic Circle and, in particular, the Apex predator (polar bear), that is fighting for its survival. The children's message to make small changes in our lives to protect our future on this planet was beautifully delivered through both song and spoken word by all. Well done 4 Teme!

## Year 1 Visit Sandfield Farm

Over the course of the week the Year 1 children have enjoyed visiting Sandfield Farm, seeing lots of animals such as cows, pigs and even a cockerel. During their day, the children made houses for a woodland animal and enjoyed exploring the woodland in the afternoon with the dogs, linking closely to their topic of 'Woodland Friends', during which the children are looking at the way in which they live their lives and the impact it has on our world.

## Letters and Emails Home to Parents

## CHALLENGE PARTNERS

## CHALLENGE PARTNERS CENTRAL TEAM VISIT

Yesterday, we were delighted to welcome visitors from Challenge Partners' central team to Bengeworth, Laura Lewis Williams and Timothy Johnson, who travelled from London to visit our school. They were overwhelmingly impressed with the way in which children spoke confidently and enthusiastically about their learning and the exciting opportunities available, to name but a few of the aspects that they saw during the visit.

## A Visit from Councillor Alex Sinton

The Chair of Wychavon District Council, Alex Sinton, spent the morning with pupils from Bengeworth CE Academy on Thursday. As an ex-teacher (and Manchester United fan) he thoroughly engaged Year 5 pupils when presenting the council's Intelligently Green strategy and promoting recycling awareness. He also enjoyed an exclusive pre-screening of the Reception Nativity during his tour with pupil parliament and eco councillors, as well as other pupils he met on his school tour. It was an absolute pleasure to host Cllr Sinton for the morning and we look forward to seeing him again soon. Thanks to Jasper, Evelyn and Ava for being such superb ambassadors for our school and helping to promote the work of our local council within our community.
