OPEN WEEK

We would like to thank everyone who attended and supported our Open Week this week, during which we were delighted to welcome both existing and prospective parents into our settings.

This year we held our first Open Evening and have been overwhelmed by the positive comments we have received by those who attended. Thank you to our Pupil Parliament members for conducting such informative tours and too many of our pupil leaders who shared and showcased their learning to our visitors.

The Lady with the Lamp

2 Teme did a marvellous job at sharing their learning with parents and pupils as well as entertaining them with their singing and acting skills in their class assembly. The children have thoroughly enjoyed learning about Florence Nightingale and are looking forward to continuing this throughout the year.

BOOK FAIR SUCCESS

Thank you to all those who ordered books from our recent Virtual Book Fair, your purchases have resulted in 40 free books for the School. This means over 200 books were bought by Bengeworth families. Not only have you supported the school but also a small business. We will let you know when we will be holding another Virtual Book Fair, but in the meantime you can also buy books directly from www.booksforbugs.co.uk for delivery to your home address.

The internet is essential in 21st century life for education, business and social interaction. As children move up through the school their access to various types of technology increases and it stands to reason that their exploration and curiosity increases too. The positives of the digital world overwhelmingly outweigh the negatives but we must stay alert to the various online risks.

Please can parents and carers ensure that their child's class teacher is informed of any changes to collection arrangements at the end of the day. This includes information about after school care providers. Thank you.

Year 1 COOL Time Showcase

Thank you to everybody who attended the Year One enterprise on Wednesday. Children thoroughly enjoyed showcasing their incredible recycled art work representing sea creatures which emphasised our Global Theme; Sustainable Development.
