CELEBRATING THE LIFE OF HER MAJESTY QUEEN ELIZABETH II

The Worship Team were invited to lead a whole school memorial service for Queen Elizabeth II alongside Reverend Andy Smith yesterday. During the service, the Worship Team shared poems, important information about her lifetime, interesting facts and paintings they had carefully chosen and created to celebrate the life of the late Monarch. Songs were beautifully sung by Year 3 and the whole school. The Worship Team should be very proud of themselves for the way that they spoke clearly and confidently in their first service of the academic year.

The new representatives for each House are as follows: Hebe and Rory (Aldridge), Grace and Henry (Badham), Maria and Harry S (Capaldi), Daisy and Harry M (Fowler). OPEN WEEK

10th - 14th OCTOBER 2022

Starting the year with a splash!

Bell-boating provided Year 3, 4 and 5 with an awesome start to the school year and an exciting trip down the River Avon. All our classes in Key Stage 2 had the opportunity to strap on their buoyancy aids, grab a paddle and have lots of fun with their new classmates whilst taking in the beauty of nature in our local area. Some may have been nervous to begin with, but everyone came away with a big smile on their faces and singing, laughing and cheering could definitely be heard along the banks of the river. Well done to everyone who took part.

What's All the Commotion?

Year 1 had a super start to the new topic of 'What's the commotion in the Ocean?', arriving at school last week to find that the field had turned into a beach! The children had a great time building sandcastles, exploring rock pools and serving each other ice creams. They then excitedly discovered a treasure chest which, when opened contained Year 1's key text, 'The Singing Mermaid'.

Scooters & Bikes

We would like to remind everyone that scooters and bikes should not be ridden on any of the playgrounds or paths around either setting to avoid accidents with others. We ask that any scooters or bikes brought onto school grounds are dismounted at the school gate and pushed round the school. Thank you.

Curriculum Meetings

We are very excited to welcome parents back into school for our curriculum meetings next week. Class teachers will be sharing essential information about the year ahead then parents will have the opportunity to visit the classroom to see some of the activities that take place in school, view their children's work and ask any questions they may have. We look forward to seeing you there.

A HUGE Trek

Well done to James M in Year 5 who completed a phenomenal summer challenge and trekked 100 miles in 6 days through Denmark and Sweden. James showed huge perseverance and commitment on this adventure, even sleeping in outside shelters or tents throughout the experience. James and his family created a very inspiring and informative video of the trek that James shared with the King's Road children during Golden Assembly. Well done, James, we are all very proud of you!
