## france, france, france

This week some of our Year 5 children have been on an adventure in France, staying at the PGL centre, Chateau Grande Romaine, a short distance from Paris. Exciting activities have included an opportunity for children to practise their spoken French at a market, a visit to Musée De Le Grande Guerre, an evening cruise down the River Seine before watching the Eiffel Tower sparkle. They also enjoyed the spectacular view from the top of the Eiffel Tower, identifying famous landmarks of Paris from their elevated position. Yesterday children (and adults) enjoyed a magical day at Disneyland Paris, riding rollercoasters and watching the awe-inspiring illuminations and firework display before their journey back today. The children have been amazing all week and a real credit to the school. We would also like to thank all of the staff that worked so hard behind the scenes to make the trip possible and those who accompanied the children to France. We cannot wait to hear all about their adventures!

## ATTENDANCE MATTERS

Our whole school attendance this week is 96.67% and our target is 97%.

## Pre Loved Uniform Sale

Don't forget we will be holding a Preloved Uniform Sale at our Burford Road setting outside Year 1 on Tuesday 28th March between 2.45pm and 3.45pm. There will be lots of second hand, good quality Bengeworth uniform including cardigans, jumpers, PE kit, shorts, summer dresses, trousers and skirts with all sizes for children from Reception to Year 5.

## U11S CUP SEMI-FINAL FOOTBALL AT ST JOHNS MIDDLE SCHOOL

The Bengeworth CE Academy football team went to Bromsgrove last week to take part in the U11 cup semi-final against St Johns Middle School. In challenging conditions, the team played positively and with determination on a large pitch against a challenging opposing team. The team should be very proud of themselves for the effort they put in to get to this stage and should hold their heads high after the defeat. The team are looking forward to their league fixtures against our local cluster schools where we currently sit at the top of the league.

## 4Severn Class Assembly

Children in 4Severn performed a fantastic class assembly all about the inspirational leader Nelson Mandela this week and what an assembly it was! Children had prepared the script and dance routine, while learning lyrics to songs and a poem called Change Sings by Amanda Gorman, as well as the technical side of lighting, music and pictures. The effort really showed when they demonstrated all of their learning to their parents on Thursday morning. It was an enlightening assembly, discussing key issues such as apartheid and leadership skills that the children have been inspired by this year. A massive well done to all of the children for preparing such a wonderful production.

## Potato Planting Update

This week children in 2 Severn have started to plant their potatoes which are now ready for planting after being 'chitted' in the classroom. They then covered them over with compost and watered them and have now positioned them in a sunny place. Fingers crossed they start to grow soon!

## Multi-Skills Festival

Some of the children in Year 5 had a busy day Thursday where they coordinated, supported and helped organise a fun-filled physical multi-skills day for Reception and Year 1. Children at Burford Road had plenty of opportunity to practise their ball skills, aiming, throwing, catching and spatial awareness, as well as opportunity to team build. Through their efforts and achievements throughout the day, the children earned themselves, and their teams, plenty of house points.

## Board Games & Puzzle Club

The children attending board games' club this term have really enjoyed lots of different games and puzzles, learning how to take turns, celebrate wins and graciously accept the occasional inevitable defeat.

## A 'Treemendous' Event

On Monday the Year 5 children visited St Egwin's Middle School to take part in a 'Treemendous' event. They had a wonderful time planting trees and were exceptional role models and ambassadors for our school.
