WORLD BOOK DAY

2 MARCH 2023

We will be holding our annual World Book Day celebration after half term, on Thursday 2nd March. On this day, children are invited to dress up as their favourite book character and will spend the day celebrating all things literary with their classes. Also, our travelling book fair will be returning at both bases with the opportunity to purchase a range of texts. We look forward to seeing all of the children's costumes and promoting a lifelong love of books!

WHO'S THAT BEHIND THE MASK?

5 Avon transported us back in time to the Ancient Egyptian era with a wonderful class assembly this week. Audience and 'judges' had to guess who was behind the mask as Egyptian Gods and Goddesses gave clues to their identity through song and dance. As well as this, the children shared information from their learning and a slideshow of pictures from their topic so far. A huge thank you to all of 5 Avon, including the costume designers, lighting crew and computer techs, for a wonderful performance. You have made us very proud!

The Journey of Tea

As part of their learning around tea, Year One have spent this week learning about the journey of tea from seed to shop and have learnt that tea is often grown in China where the climate is very warm. Workers plant the seeds, then pick the leaves, which must be left to dry, before they are shipped to other countries and finally make it into our supermarkets. Children acted out the journey using the time adverbials which they learnt about in their instruction writing this half term.

Football vs St Andrews and Harvington

The Bengeworth CE Academy football team played their first fixtures of the year this week, showing great teamwork and effort to secure two wins and putting Bengeworth top of the league. The first game against St Andrews saw the team dominate from the first minutes, keeping possession of the ball and using the space on the pitch to draw out goal scoring opportunities. It wasn't long before Samuel scored the first goal with a well-worked move. Settling the nerves, the players then played freely, with solid defence from Maksymilian and midfield work from Matthew. Two goals from Matthew followed and a 3 - 0 result was well-deserved.

The second match against Harvington was a similar affair, with all players focused on playing with pace and possession. It didn't take long before the first goal was scored and eventually a 5 - 0 win was recorded, with three goals from Mikolaj and two goals from Daniel. Well done to the entire team for a fantastic performance!
