Happy Chinese New Year

RECEPTION'S FABULOUS FLIGHT TO CHINA

On Monday the children in Reception took a flight on Bengeworth Airways on a trip to China, during which they had the chance to sample the on-board snacks and enjoy a wonderful view of the skies. Upon landing, the children visited a Chinese restaurant and took part in a Dragon Dance before returning to Bengeworth in time for the end of the day!

Evesham Abbey Trust Art Celebration

Year 5 were invited to see the finished outcome of a project some of them began last year with EAT Artist in Residence Michele Flint, incorporating artwork from 13 local schools. Trustee Elizabeth Spencer and author Lawrence Stribling (who illustrated the book co-authored by Bengeworth teachers last year) introduced a highly engaging presentation from Michelle, who explained the process of capturing hundreds of pieces of artwork into artefacts and clothing created for the project. The spectacular tapestry print is installed at Bengeworth Kings Road Hall until 17th April, along with the Benedictine monk's habits modelled so professionally throughout the event.

FORGIVENESS

PE Personal Cog Awards

Children across the school have been recognised for their outstanding achievements in PE lessons over the last half term, with teachers selecting a child from each class to celebrate. These children received an award for challenging themselves to meet personal targets and we would like to congratulate them. This half term children will be focussing on the Health and Fitness Cog in their PE lessons.

INTER HOUSE TRI-GOLF COMPETITION

As part of inter-house competitions which take place across the year, children across the whole school have been experiencing a new sport this week, Tri-Golf! Everyone has been trying hard to improve their chipping and putting skills in order to score points for their House, which will count towards the overall house winners. During the week, new talents have definitely been uncovered which may possibly even guide pupils towards a future PGA tour. Look out for the announcement of the winners next week once all year groups have taken part.

Thank you

We would like to say a huge thank you to 'Sofab Sports' for their kind donation of hurdles for both of our Bengeworth settings. We will look forward to using them during PE sessions and athletics training for Sports' Day later in the year.

Craft Club

The Julia Donaldson craft club are really enjoying their extra-curricular activities, working hard to make their very own Superworms!

Year 3 Book and Bake

Year 3 had the pleasure of inviting their parents into school to share a book and a delicious piece of cake kindly provided by Mrs Clemson and her team on Monday. It was lovely to see so many Year 3 families enjoying their favourite books together and showing their passion for reading. We look forward to repeating this activity later in the year with different year groups.
