Curriculum+ Clubs

Following the break over Christmas, we are looking forward to resuming our after school Curriculum+ clubs on Monday which range from Karate to Kurling, Dance to Djembe drumming, to name but a few. Please can we ask that parents inform the office if their child is unable to attend a previously booked club so that we can amend the registers accordingly.

RECEPTION WOW STARTER

On Thursday, the children in Reception discovered some very strange items on the path to Forest School. These included ice, footprints, an umbrella, a striped t-shirt and fish! Who could have left them? The children have used their imaginations to think about who the mystery visitor could have been, have painted their ideas and can't wait to find out!

New Hope

FOR A BRIGHTER FUTURE

You may remember that children in Reception held a very successful toy sale before Christmas in aid of the charity New Hope, who work with families who have children with disabilities, and raised £276.50. We are delighted to tell you that as a result of our donation, New Hope have been able to purchase 3 new iPads. We would like to thank everyone for their contributions towards this.

PSHE - Jigsaw

This half term children will be starting a new puzzle called 'Dreams and Goals'. In this puzzle, the children will talk about challenges and facing up to them through discussion about the power of not giving up until they have achieved their goal.

The children will be encouraged to think about jobs that they might like to have when they are older and will be taught to associate what they learn now with being able to have the job they want. They will also talk about achieving goals and the feelings linked to this.

BENGWORTH CE ACADEMY

PARENT INCLUSION NETWORK

The main aims are to provide support and encouragement to parents/carers of children who have additional support needs, their families and to those who work with them. To work productively and collaboratively with parents/carers and outside agencies to ensure positive, inclusive practice is at the heart of school life and to have happy, successful children-bursting with self-esteem!
