## *A Garden Party Fit For A King*

CELEBRATING THE CORONATION OF KING CHARLES III - 06.05.2023

Today the whole school came together to celebrate a momentous moment in history - The King's Coronation. Dressed in their best garden party outfits (or as a monarch!), everybody came together for a picnic on the field before Pupil Parliament proudly led the Coronation Celebration Service with each year group contributing with their wonderful singing. Thank you to everyone for their hard work in the lead up to this tremendous event - we can't wait to showcase their learning in a commemorative floor book which will be proudly displayed in school.

FORGIVENESS

Last week the children at Kings Road and Burford Road received awards for last half terms Real PE 'Creative Cog'. Children had been concentrating on moving, with skills, and compared differences and similarities between movements and expression. Well done to those children who received the award for their class.

# Wowed by Warwick!

Year 1 children enjoyed a wonderful and inspirational trip to Warwick Castle yesterday which helped to embed children's learning in their topic of 'On Guard'. Everyone enjoyed exploring the castle and the Kingmaker, climbing the tower, watching the trebuchet and completing a maze. Well done Year 1 - what a super way to find out more facts about this exciting topic!

## Disability Awareness

On Wednesday we had the pleasure of welcoming Cain and Helen to speak about what life was like living with a disability. Cain and Helen talked about the adaptations made to support Cain with everyday activities. The children then tried some out for themselves, through writing with their feet and feeding the teachers yoghurt, one of Cain's favourite things to eat. The children were completely engaged and asked lots of questions, Cain and Helen had a hard time getting away!

Many important messages were shared during the session, many of which encompassed our school values, including "please ask questions if you are curious, offer to help but never stare."

Over the last 25 years there are so many plum events and activities that must capture your creative artistic imagination. ## Arthur's Terrific Challenge!

We are very proud of Arthur in Year 4 who decided he wanted to raise funds so Year 4 and 5 pupils could have first aid training. Over the Easter holidays, Arthur spent two whole weeks barefoot raising £572. Arthur made it to Twickenham Rugby Stadium, Weston Super Mare, into numerous shops, played lots of football in the mud, went to Chedworth Roman Villa, went on an Easter Egg Hunt, went for a haircut and even spent an afternoon in the woods! Well done Arthur for spotting something you wanted to change and going for it!
