OUTDOOR CLASSROOM DAY

Well, it was a little wet, but that did not deter the children's enthusiasm for taking their learning outside! There were so many activities inspiring communication, collaboration, investigation, creativity and most importantly, fun. There were smiles everywhere and the day was certainly memorable! Please look at our Facebook page to see some of the photos of the activities your children engaged in.

Thank you to everyone who saved their plastics for the eco-brick challenge. As a result of the enthusiasm for this project, we are setting up eco-brick 'stations' at both sites, so that any plastic we use in school that cannot be recycled will go into eco-bricks. The children have identified ways in which we can all reduce our plastic use, and when we can't, we should be reusing or recycling. Why not try making one at home? Use this link for more information: <https://www.ecobricks.org/how/>

PARENT INCLUSION NETWORK

Parent Inclusion Network warmly invite all parents to their next meeting tomorrow, Tuesday 11th June, at 2.00pm at Burford Road. We have been fortunate to secure a session with the school's speech and language therapist, Sarah Morris. The session will cover practical tips on how to support communication at home, including strategies for setting up routines at home. There will be lots of useful things for parents to take away, including handouts and resources that can be used at home to support your child. This will be a really good opportunity for parents to ask questions and meet the professionals working in our school.

Golden Assembly

Congratulations to Julia, Tyler, Erin, Alfie, Lily, Edwards, Oliwa, Marley, Kiera, Dylan, Freya, James and Athen whose achievements were all celebrated during Golden Assembly last week.

Little Stars

Our Little Stars winners last week were Mason C, Jack S, Amelia W, Farris, Kinga and Amber. Congratulations to you all.

Year 2 Celebrate Ramadan and Eid

On Thursday 23rd May, Year 2 were very lucky to have a special visitor, Mrs Ahmed, who came into school to talk to the children about the festivals of Ramadan and Eid and to explain some aspects of the Islamic faith. The children had a wonderful time and learnt lots of fascinating facts. The afternoon was completed by trying some delicious homemade food called Gulabjamun.

Bengeworth Club is hosting the prestigious School Band's Concert again this Wednesday 12th June. Performances will start at 5pm with our Year 4 and 5 pupils playing Rock and Pop tunes they have learned with Mr Bennett until 6pm. There will be a chance to see former pupils from Year 6 up to Year 10 performing until 9pm. Thanks go to Mr Bennett for organising and Bengeworth Club for hosting. We look forward to seeing you there to support our talented musicians!

Year 1 Turn Back Time

Year 1 kick started their exciting new topic with a Medieval Day in which the children came dressed in their best medieval costumes and took part in a range of activities to bring their learning to life. They enjoyed learning how to become archers, how to dance to medieval music and enjoyed tasting some medieval food (including roasted swan!). A wonderful day was had by all and they can not wait to learn more about castles throughout the coming weeks.

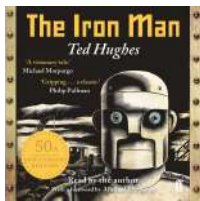

School Games Orienteering Competition

Teams from Year 5 had a wonderful morning competing at Prince Henry's High School in the School Games Orienteering competition last Tuesday, demonstrating perseverance and respect on a tricky course. Bengeworth took 2nd and 3rd spot which has qualified us to take 2 teams to represent South Worcestershire at Worcester University this week. Well done to you all and good luck to the representatives!

Year 3 Investigate...

Year 3 were excited to discover some strange and unexpected happenings on their school field after the half term holiday! They spotted that many metallic objects, large and small, along with some rather large oily footprints had been left behind on the field! They did a fantastic job recording their findings and then writing a news report for the history books. The children all have their own predictions about what may have happened and are excited to hear the story of the Iron Man by Ted Hughes to see if there are any answers.

NEW TOPICS

- RECEPTION – INTO THE WILD/ NATURE DETECTIVE
- YEAR 1 – CASTLES
- YEAR 2 – AMAZON TO AVON
- YEAR 3 – RISE OF THE ROBOTS – THE IRON MAN
- YEAR 4 – HABITATS
- YEAR 5 – SCHOOL OF ROCK

- Wednesday 12th June - 3Teme Swimming
- Thursday 13th June - 3Severn Trip to Sandfield Farm
- Friday 14th June - 3Teme Trip to Sandfield Farm
- Monday 17th June - 3Avon Swimming

Please can we ask that parents and carers do not park on the zigzag yellow lines or double yellow lines outside either setting at any time. This seriously compromises the safety of all road users and our children. We have received a number of complaints from residents in Drakes Lea by Evesham Marina regarding parents blocking them in by parking across driveways, on pavements and in the road. Yet again, can we please ask parents to park courteously and use common sense, even if there are no road markings, when collecting children by car.

PARKING CONSIDERATELY

School Fete

Friends of Bengeworth are in desperate need of more assistance to help run stalls/activities, otherwise unfortunately some may be cancelled. Please email Emma (friendsofbengeworth66@yahoo.com) if you can help.

Raffle tickets are being sold from tomorrow at both settings, before school collection. These are £2 a strip which includes a drink on entry to the fete.
