Friday 22nd January 2021

Dear Parents and Carers,

Thank you for all your support and flexibility over the past week; it has certainly been a challenging one but we are very grateful to everyone who has supported the school through this challenging period, including adapting to online learning while school is closed.

Please see below some important updates for the week ahead:

### School reopening for children of critical workers and vulnerable pupils:

Our King's Road setting will reopen for all vulnerable and critical worker children on Tuesday 26th January and children with allocated places may return providing they are well, are not displaying symptoms of Covid-19, are not living with someone who has tested positive or who is isolating due to showing symptoms. In certain instances, children have been advised to self-isolate beyond this date and should not attend until their individual isolation period has finished.

Year 1 critical worker and vulnerable pupil provision will also recommence from Tuesday 26th January at our Burford Road setting, again for those who have an allocated place and who are well, are not displaying symptoms of Covid-19, are not living with someone who has tested positive or who is isolating due to showing symptoms.

Breakfast Club at King's Road will also reopen on Tuesday 26th January. Year 1 children may also return to Breakfast Club at Burford Road from Tuesday; please book your child's place at either setting in the usual way.

### Kitchen and Hot meals

Our kitchen will reopen on Tuesday 26th January and will resume the provision of a hot lunch for children attending in Reception, Year 1 and Year 2 and children in Key Stage 2 who have pre-ordered their meal. Children will no longer need to bring a packed lunch from this day unless they would normally do so.

### Edenred Vouchers for children eligible for Free School Meals

Parents of children who are eligible for means-tested Free School Meals should have received their Edenred vouchers to the value of £15 per child by Tuesday 26th January. If you have any problems with these, please email the school office for the attention of Mrs Davies.

## Mid morning snacks

Children attending school in Reception, Year 1 and Year 2 will no longer need to bring a mid-morning healthy snack as our delivery of fresh fruit has resumed.

## School office

Please be aware that our school offices are currently short staffed due to staff absence. The easiest method of communication is via email, either through the year group email accounts or to the school office, [office@bengeworth.worcs.sch.uk](mailto:office@bengeworth.worcs.sch.uk). This may also mean that the Burford Road office is un-manned on occasion. If you have to call the school, please be aware that it may take a little longer for your call to be answered.

## Positive Covid-19 cases

Please can we remind all parents to notify school of any positive Covid-19 cases, even if your child has not attended school in the critical worker and vulnerable children bubbles.

If your child has been in school and has had a test, it is essential that you let us know the outcome of the test, whether positive or negative and we would ask that you do so promptly via email, even out of school hours.

We would like to wish you a restful and safe weekend,

Kind regards,

**Hayley Potter**

**Kirsty Shaw**
