A visit from the Police!

Children in Reception had a surprise visit from the Police this week after discovering Supertato was missing! The Police came onto the playground with their flashing blue lights and the children were shown the vehicle, as well as learning about the role of a Police Officer and how they help us. The children loved hearing the sirens and the flashing lights and have been looking at what skills and attributes they would need to be police officers.

2Avon Class Assembly

Year 2 wowed their audience this week as they presented their wonderful class assembly all about their inspirational leader, Florence Nightingale. The children sang and spoke about her impact on the NHS and her importance as an inspirational leader. All those who were lucky enough to see the performance were in awe of the children's confidence and enthusiastic singing! Mrs Pearce and Mrs Harley-Preller are immensely proud of all the children. Well done 2Avon.

A reminder that Tuesday 1st February is Walk in Tuesday for all year groups.

Science Club

Science Club got off to a colourful start this week when the children conducted an experiment to find out what would happen if they put felt tip ink on a paper flower in the water. The children knew the flowers would not grow, but they loved watching the water travel up the pipe cleaners and onto the paper to make the ink spread out into brilliant patterns. Whilst the magical science was happening, they enjoyed completing some science puzzles.

Children's Mental Health Week 7th - 13th February

On Wednesday 9th February, we ask that children bring in their slippers to wear in school for the day. Outdoor shoes are still required for playtimes.

Our Pupil Mental Health Ambassadors will also be holding a Book and Game sale in the King's Road Hall on Friday 11th February from 3.15pm - 4pm.

The proceeds raised will go towards Calming Corners within the classrooms across both settings. We ask for your help to support this worthy cause by donating either one book or one game per child. Please bring them into school by Friday 28th January.

Painting Club

Budding artists in Reception and Year 1 Painting Club got off to a colourful start as they explored using different shades of paint as well as exploring the effect of using a variety of brushes. They even painted with a fork and their fingers!
