PE and Sports Development Plan 2017 - 2018

At Bengeworth CE Academy we work hard to develop and maintain a high standard of Physical Education through curriculum provision and extra-curricular opportunities. Our overall aim is to ensure that all of our children are provided with the opportunity to become physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

In using the allocation of the Sports Premium funding, over time we aim to:

- Provide breadth, quality and enjoyment in the delivery of our PE curriculum coverage across the Key Stages so that all children can benefit regardless of their sporting ability.
- Ensure the profile of PE and sport is raised across the school as a tool for whole school improvement.
- Improve and increase the confidence and knowledge of all staff in teaching PE and sport.
- Continue to offer a range of after school clubs so that we maintain and increase levels of participation.
- Enable more able children to play and compete at an advanced level.

This year we were allocated **£16,000 + £10 per child** to support the development of PE and School Sport. Our main areas of focus for this academic year are:
