These children proudly shared their progress and achievements with Mrs Shaw and Mrs Potter whilst enjoying a delicious cake.

A Magical Performance

On Thursday, R5me showcased their learning from this half term during their class assembly on the theme of 'The Magic Train Ride'. The audience were whisked off to the beach, under the sea and even to the jungle through song, dance and movement. We are very proud of the children who shared their learning so confidently during the very first class assembly at our Burford Road setting for two years!

Singing for the Mayor

Some of our children who form part of our Young Voices choir were very proud to be asked by the Mayor of Evesham to sing at her inauguration ceremony on Sunday 8th May. We could not have asked for a better representation of the school from our children who arrived smartly dressed, sat quietly and respectfully throughout the service and when the time came for them to perform, simply shone! The Chaplain to the Mayor wrote to the school to tell us: It was the star attraction and wonderful to see the enthusiasm and commitment in their faces. It was such a privilege to be able to share in the service with them.

Did you know the national flower for Ukraine is the sunflower?

In March, Arthur in Year 3 had the great idea of growing some sunflowers to sell in his parents' farm shop, with a view to donating the monies raised to the children affected by the conflict in Ukraine. He started to sell them at the weekend with buyers already snapping them up! Well done Arthur, this is such a wonderfully thoughtful idea!

We are all very excited to meet our new 2022 Reception children later this term. They all received a golden ticket this week; have a look on our Facebook page to see their proud, smiling faces!

Well done to 3Teme who were awarded the highest attendance for the first week of term but missed out on a photograph!

ECO WEEK

We are very excited to inform you that our "Eco Week" will take place next week from Monday 16th May 2022 until Friday 20th May 2022 which has been organised by our school Eco Warriors. During this week, we have a special visitor joining us from the Worcestershire County Council who will be helping the children understand more about litter and the impact it has on their environment, including involving all year groups in engaging workshops based around this topic.

Please can we ask that every child brings a pair of named gloves into school on Monday which will remain in their class and will be kept in their trays. These can be winter gloves or rubber gloves (whichever you have at home). Children will also be taking part in litter picks around the local environment.
