Zog week at Julia Donaldson Craft Club led to a range of dragons being created by the Year 2 and 3 children. Painting, glueing, folding and peeling skills were all put to good use to produce the most fierce group of dragons you ever did see!

Whole School Poetry Competition

We would like to say a massive thank you and well done to all of the boys and girls who have performed a poem as part of the whole school poetry competition. We have now completed the class and year group stages of the competition and have been overwhelmingly impressed by the effort and enthusiasm everybody has put in. We have certainly got a school full of fantastic poets and performers. The finalists will be performing to the rest of their bases on Friday 8th July where some of our senior leaders and school governors will be helping us to crown our overall winners.

A huge well done to everyone who has taken part- you have made all of your teachers incredibly proud!

Climate Change - 'What is our impact?'

Over the last term Year 4 have learnt about the devastating impact humans are having on the planet, looking specifically at the changes within the Arctic and the disastrous effects on the polar bears. Alongside this, the children learnt that the warming of the planet not only affects the polar bears, but all species around the world, and shared their learning and raised awareness through a creative and informative assembly to parents yesterday. Well done 4 Avon you made Miss Jones proud!

1Avon's Journey Through Learning

Children in 1Avon delivered an incredible performance on Tuesday as they took everyone on a learning journey throughout their time in Year One! Well done 1Avon for reminding us about your learning, your amazing achievements and for such a confident, well-polished performance.
