### An amazing afternoon tea!

Year 1 children have had a very busy and exciting week this week, both preparing and hosting their very own afternoon tea. On Monday they visited Lidl to purchase goods for their afternoon tea, on Tuesday they baked cakes and prepared sandwiches and finally on Wednesday they welcomed their grandparents into school for a fabulous afternoon tea! The afternoon was thoroughly enjoyed by both children and adults. We would like to thank everyone who attended, with special thanks to Mrs Thornley who made the table decorations and to Wayside Farm Shop who lent us the wonderful plates, cups and saucers.

### 2Severn Class Assembly

This week, 2Severn performed a fantastic class assembly all about The Great Fire of London.

They impressed their audience with their wonderful singing, acting and dancing. Miss Chilvers and Mrs Price are immensely proud of all the children and their hard work, well done!

## Fabulous Fundraising for Calming Corners

To bring Children's Mental Health week to an end, Staff and Pupil Mental Health Ambassadors held a Book and Game Sale last Friday to raise funds for classroom calming corners across both settings. We would like to thank everyone who contributed to the fantastic £192 which was raised and to our pupils who helped with this event.

## Mrs Bertulis' Poetry Collection

The poetry collection 'Where do Wishes Go' by Mrs Bertulis will be published next month. Her ongoing work with pupils at Bengeworth continues to contribute to excellent outcomes for our learners and as well as dedicating a poem to Bengeworth, she references the motivation for her book by a former Bengeworth pupil who asked, 'Where's your book Miss?' Well, here it is! Well done Mrs Bertulis, we are very proud of you.

## PLEASE PARK SAFELY

We would like to remind all parents to park safely and considerately at both the start and end of the school day. We have complaints from our neighbours on a daily basis about parents parking on and across driveways, as well as increasing concerns about the safety of our children which is at risk from cars parked dangerously.  
Thank you.

## London's Burning

Children in Year 2 proudly showcased their superb fire engine-themed cool time projects to their parents and children on Wednesday, amazing everyone with the creative ways in which fire engines past and present had been made and their rich knowledge they have learnt during this exciting topic. Well done Year 2.

## Safer Internet Week

This week we've been celebrating Safer Internet Week with the theme 'All fun and games? exploring respect and relationships online'. Our Digital Leaders started off the week by hosting two fantastic assemblies to the whole school. Please see the leaflet attached with some fun and engaging activities that you can do with children to support staying safe online.

## YV YOUNG VOICES

Our Year Four and Five children who are taking part in the Young Voices concert later in the year wowed their parents when they sang a selection of the songs they have been learning at a concert on Wednesday. Having not performed in front of an audience for quite some time, it was a little overwhelming for some, but they all rose to the occasion magnificently. They impressed us all with the amount of words and actions they have learned, and the confidence with which they sang was testament to the effort and dedication they have shown. Roll on the big day!
