Congratulations to Sara, Tilly, Arabel, Daysi, Daniel, Amelia, Harmony, Patryk, Cassie, Daisy and Sarah.

Little Stars

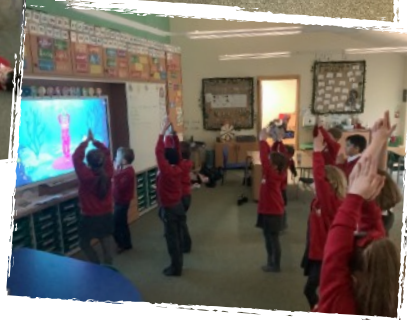

A big well done goes to Dominik, Oliver, Teodora, Daisy, Emma and Betsy.

This week is Children's Mental Health Week so we have been sharing our knowledge in topics relating to well-being, not only for the children but for staff too.

Pupils have enjoyed some time away from school work during this week to focus on their mental health and wellbeing. They have enjoyed some Yoga sessions, mindfulness colouring, drawing support balloons, relaxing in their slippers, guessing staff baby photos (which they really enjoyed) and finishing off the week with a 'Coffee, Cake & Chat' (without real coffee!)

5 Avon Class Assembly

The Year 5 topic this half term is 'Hidden Figures', a true story about a team of African-American mathematicians at NASA who served a vital role in one of the greatest operations in history: the launch of astronaut John Glenn into orbit. To showcase all the exciting learning that they have been doing in science lessons about Earth and space, children in 5Avon have worked incredibly hard to write, edit, prepare props and perform a final class assembly during their time at Bengeworth. The children put on a spectacular performance, enjoyed by all!

Stone Age Projects

Thank you so much to all pupils in year three and their parents for the hard work they have put in over the last few weeks creating their amazing Stone Age COOL time projects. The effort put in has been incredible and lots of learning has happened through the researching of new facts. We have shared our learning with each other and hope to be able to share these with parents next week.
